## A GLIMPSE OF SOME GENUINE TESTIMONIALS

**Aishi Chatterjee**

IBPS PO 2022

Smartkeeda's CA Mockdrills proved to be a game-changer for me when I qualified for Mains without any knowledge of current affairs. The format of the mock drills was easy to remember, and I found them engaging. I also regularly took sectional mock tests, but as the mains approached, I started taking full mock tests and reattempting some of them. This helped me get a better understanding of the exam pattern and improve my performance. Smartkeeda's resources and mock tests were instrumental in my success, and I am grateful to them for their help.

Thank you, SK!

**Rishikesh Prasad**

SBI PO 2022

Thank you Smartkeeda for providing us with the best contents. I personally enjoyed the whole journey with Smartkeeda, ofcourse Mocks Questions are of exam level or ahead of that but good to mark my weaknesses and overcome the same. One thing I must want to recommend to every banking aspirants to go through Mockdrill(600-700) MCQs a month which played a very major role in my GA success. Thank you once again to the whole team of Smartkeeda.

”

**Ritwick Das**

IBPS PO & IBPS Clerk 2022

Smartkeeda had become my daily routine. I didn't study a single topic seperately. But all I did everyday was solve mocks. The contents of the current affairs are a life saver. If someone can manage to study all of their CA mock for 6 months before exam and can retain them, it will be extremely helpful for the aspirant and give them an extra edge in the competition.

**Muskan Saxena**

SBI Clerk 2022

It was FEB 16, 2022 when I got the result of IBPS PO 2022 and I failed. It was a very shattered moment for me. For one second I was clueless. But through Smartkeeda guidance I got the courage to start it again. I analysed my mistakes and started preparing firmly on them. I bought Smartkeeda mocks which are of a very good level. They help you to get thorough understanding of the topic and also CA mock drills have so many exam related questions. The smart points helped me in remembering the news very easily. I really want to thank SK for this guidance that I was able to clear SBI clerk. Also cleared mains of IBPS PO and SBI PO this year. I'll continue to use SK for my further studies.

Smartkeeda is the mock test you need to prepare for Banking preparation both in prelims and mains. It has helped me a lot in the GA section through the Mock Drills & also helped me in other sections to crack IBPS Clerk. Believe it or not, you have to be patient in your banking preparation & 'Practice makes a man perfect'. Smartkeeda has helped me to find out my strong and weak areas. Thank you Smartkeeda, I would highly recommend this test series. ❤️
